## Limeade's Birthday

The Webkinz were getting ready for their September birthday party for a special friend. Today was Limeade's birthday. "Are we finished with the decorations?" asked Hector to Hugo.

"Yep. All of them." said Hector.

"Good job, everybody. I'm impressed. And I'm sure Limeade will be, too." said Lulu.

"Speaking of Limeade, here she comes now." said Hector as he pointed at the window.

"Everyone, hide!" said Alley. Everyone hid behind some furniture. Limeade came in the house.

"Huh. Why are all the lights off?" asked Limeade to herself. She turned on the lights.

"Surprise!" said everybody in unison.

"You guys actually remembered it was my birthday today. I'm shocked." said Limeade.

"Of course we would, Limeade. You are our friend, after all. Well, come on. The presents are in the other room like always." said Bronta.
